Church of St. Patrick-Edina

Grade 6 Faith Formation Semester 2 Overview

Our 6th graders are almost through their work with the Bible by finding connections between the Old and New Testament. With the remaining weeks they will be exploring the wonder of the Eucharist and increasing their familiarity of the Mass. They will also visit a Synagogue, participate in Ash Wednesday and Penance services and celebrate the Resurrection with “Egg Night”. Stay tuned for further information about the special field trip to the Synagogue. Parents are welcome to join us for this very special highlight event.
