The Music Ministry is gearing up for a new season

The Contemporary Ensemble's season begins on Saturday, September 18 at 4:00pm, and the Adult Choir's season will begin on Wednesday, September 22, at 7:00pm. This season we will be in a rebuilding mode for both groups. We aren't losing members, but we're not at capacity either! This year's repertoire will be somewhat simpler for new members to feel comfortable in joining and catching on to the system. We will also be taking some time for small-group vocal and music skills training. So, if you've been 'hemming and hawing' about joining in the past, this is definitely the year to join! You'll be glad you did! Please call [Jeff Jamieson](mailto:Jeff.Jamieson@stpatrick-edina.org) if you have questions at 952-941-3164, x116.
