## **Church of St. Patrick-Edina Parish Mission**

*To build on the warmth and spirit of community established by the Irish Catholic immigrants who founded the parish in 1857 with our own commitment of faith centered on the Gospel of Jesus Christ by:*

- ♦ *providing faith-filled worship focused on the celebration of the Eucharist*
- ♦ ***being a welcoming community***
- ♦ *recognizing our need to continue our formation as Christians*
- ♦ *providing an environment of holiness in our homes*
- ♦ *striving to acknowledge our blessings through our generosity.*

We welcome you as individuals, families and friends to listen to the call to serve our fellow parishioners by signing up and joining us as hospitality ministers. Your willingness to participate is very appreciated! Be a person of radical gratitude—not perpetual dissatisfaction!

Peace and blessings,

Susie Osacho, Parish Life Coordinator
