## Emmaus Group

Beginning Thursday, February 23 we will be offering a new program designed to provide an opportunity to come together to learn a little, share a little and grow in our spirituality. Please join us!

**Time:** 8:30-9:30 am (following the 8:00 Mass)

**Where:** St. John's Room

**What to expect:** Each Thursday we will listen to a CD for a half hour and then discuss together for a half hour and hopefully leave a little wiser, a little kinder and feeling rooted in our spiritual journey.

The first series we will listen to Gregory Boyle, a Jesuit Priest, read his book *Tattoos on the Heart* which is filled with sparkling parables about kinship and the sacredness of life drawn from his twenty years of working with gangs in L.A. His book brings us to embrace a new way of seeing our world and each other.

If you are interested in joining us please contact [Cappy Moore](#) or [Susan Johnson](#).
