

Church of St. Patrick-Edina Social Justice Commission – Mission Statement

The Social Justice Commission acts with and through St. Patrick's parishioners in the essential and concrete fulfillment of the Church's missions of charity and justice. We seek to connect our Sunday worship with our daily lives throughout the week.

The mission statement is at the heart of who, what and why of whom we are. After careful reflection on the complex realities of human existence, in society and in the international order, in the light of faith and of the Church's traditions, we seek to respond to needs and injustices.
