Promoting the Women's Club- Weekend of June 8th and 9th

- A beautiful promotional flyer was designed and passed around for review and comments.
- The wording was modified slightly to say " Participation provides a sense of belonging, friendship and connections to the broader community."
- Tables will be set up in the Celtic Center for distribution of the flyer and discussion about the Women's Club. Volunteers needed to help distribute the flyers and promote the Women's Club, as well as St. Bridget Guild and Little Flower Guild.
- Emphasis is on "All Women of the Parish are Members."
- An e-mail contact list of ALL the women in the parish would be most helpful for the Women's Club to acquire. Does this exist? This would help to keep the women of the parish informed and up to date on events and activities happening at St. Pat's.
